

ROBINA'S UNIQUE ADVANTAGES:

ENTERTAINMENT & DINING CENTRAL

The vibrant community of Robina has several bustling dining, shopping and entertainment precincts, brought to life throughout the year with a series of events for all ages. Locals love the varied and exciting lifestyle they can enjoy without having to leave Robina, and that everything the wider Gold Coast has to offer, is also within easy reach.

AT THE HEART OF CITY-WIDE INVESTMENT

Robina's central location positions it to draw immense benefit from the \$13.5 billion of investment currently underway across Gold Coast including expansion to transport services and construction of 2018 Commonwealth Games venues. Gold Coast City Council also has a focus on attracting big business to the city, offering start-up grants to new businesses and promoting the city internationally.

ROBINA'S VALUE DRIVERS

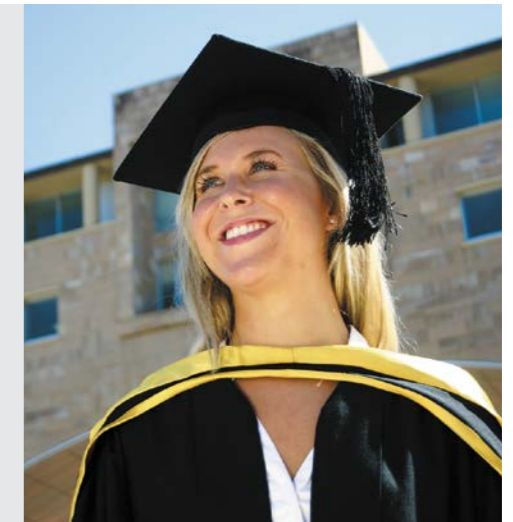

DESIRABILITY

Amenity-rich Robina is a highly desirable place to live and work. With leafy streetscapes, panoramic waterscapes and modern architecture built into the masterplan, Robina exudes aesthetic character and charm. The infrastructure and amenity fundamentals which underpin the ongoing success and attraction of Robina mean that whether you choose to live in your home now or in the future, it will always be in demand.

EXPANDING EDUCATION PRECINCT

Robina is home to Gold Coast's best educational establishments with more due to commence development of new facilities. Boasting the full range of public and private educational establishments, from sought-after kindergartens and academically top-ranking schools, to Australia's only private university.

EXTENSIVE PARKLAND NETWORK

Robina is home to a huge array of parklands including the 17 hectare Robina City Parklands which are part of the 2,929 hectare Green Heart project, conceptualised as Gold Coast's 'Central Park'. Robina's network of parks and sports fields are linked by waterside walkways and cycle paths and are maintained by Gold Coast City Council. All public parks are open to enjoy all year-round.

HEALTHY VUE

Medical is a strong and growing industry in Robina, with a host of public and private services on offer. Several major medical developments are planned and health services jobs are expected to grow 195% by 2050. Robina's medical hub is now home to:

- Robina Hospital
- Robina Private Hospital
- Bond University's Clinical Education & Research Centre
- Queensland Health Medical Precinct
- Bond University's Institute of Health & Sport
